LAMPADA COMPATTA SERIE KL 025

La lampada Slimline SL 025 piatta è adatta per tutti i tipi di pannelli e armadi, soprattutto quando è importante ottimizzare lo spazio. Il dispositivo può essere montato su qualsiasi superficie con viti.

È disponibile anche con un magnete che gli permette di essere installato velocemente in qualsiasi posizione all'interno di armadi metallici. Entrambe le versioni sono disponibili con una presa elettrica integrata che consente l'uso di ulteriori apparecchi. Disponibile sia con interruttore sia con sensore di movimento.

Compact Lamp KL 025

The flat slimline lamp SL 025 is suitable for all types of panels and enclosures, especially where space is at a premium. The lamp can be mounted on its narrow or broad surface using screws. It is also available with a magnet which allows it to be fitted quickly in any position in a steel enclosure. Both versions are available with an integrated electrical socket enabling the use of additional appliances. Available with on/off switch or with movement sensor.

In plastic, aluminium or stainless steel cabinets the lamp can be fixed using screws together with inserted 35mm DIN rail sections.

lampada compatta serie KL 025
